

Budgeting activity tracker

Track your spending to learn how much money you could find to save each month. FOR MONTH OF: _____

Finding extra money to save becomes easier when you know exactly what you're spending each month. As a rule of thumb, your essential expenses (things you need to have) should not exceed 50% of your take-home pay. See how you're doing by filling out your average monthly expenses and income below (in local currency).
